

Dear Friends of Peace River Presbytery,

A number of you have responded to our invitation to send your colored church bulletins to Palmetto Church, who are making beautiful necklaces out of the bulletins (see attachments). For those of you who have sent bulletins we have made necklaces and they will be available for you at the next Presbytery meeting in February.

If you are among churches that have not sent bulletins there is still time. Ask your secretary or church administrator to send two to four bulletins, preferably colored bulletins, like from Easter, Christmas, Advent, etc. to Marlyn Marshall, Palmetto Presbyterian Church, 1115 10th Avenue W., Palmetto, Florida 34221.

It takes two bulletins to make one strand and four bulletins to make two strands. A double strand is often preferred so please send four bulletins if possible. The necklaces will be sold for \$9. Six dollars will go for the mission of Presbytery--Cedarkirk, Bethel Farmworker Ministry, Mission Peniel. Three dollars will go for the cost of materials and costs in making the necklaces. It takes three hours to craft each strand so this is a labor of love.

In addition to contributing to our Presbytery's Covenant Partner's continuing mission work, the necklaces are simply beautiful. There is also a sense of pride and identity in wearing to worship necklaces crafted from one's own church bulletins.

If you have questions please call Taylor Hill at 941-758-8719 or 941-524-6556. Thank you for your cooperation and participation in this exciting project.

Kindest regards,  
Taylor Hill
