

**Attachment IV**  
**Volunteers and Equipment List**

1. Develop a list of members that have volunteered to house families displaced by an emergency. **(See sample form in this attachment.)**
2. Develop a list of members that have volunteered as a Disaster Preparedness Action Response Team. **(See sample form in this attachment.)**
3. Develop a list of members with equipment such as: self-contained travel trailers/motor homes, trucks, chain saws ect. **(See sample form in this attachment.)**
  - (1) Contact those members who indicated that they have a travel trailer/motor home and confirm that it would be available for use after a disaster. **(See sample form include in this Attachment.)**
  - (2) Make plans on how facilities will be used at the church and include them in this plan. **(See Attachment X Shelter Plan.)**
  - (3) If use requires facilities to be prepared, make sure that the facilities requirements committee makes plans and includes it in the budget. Possible requirements could include site preparation to park, water hook-up/electric hook-up. **(See Attachment X Shelter Plan.)**

List equipment by type:  
Travel Trailers
